C. Request for Additional Information

Any communication or inquiries, except for clarification of process or procedure already contained in the solicitation, are to be made in writing to the attention of the procurement representative identified in the solicitation no later than five (5) working days prior to the proposal opening date. Such inquiries or request for information shall be submitted to the procurement representative in writing and shall contain the requester’s name, address, and telephone number. If transmitted by facsimile, the request should also include a cover sheet with the bidder’s facsimile number.

Procurement Services may issue an addendum in response to any inquiry received, which changes or clarifies the terms, provisions, or requirements of the solicitation. The proposer should not rely on any representation, statement or explanation whether written or verbal, other than those made in this solicitation document or in any addenda issued. Where there appears to be a conflict between this solicitation and any addenda, the last addendum issued shall prevail. It is the proposer’s responsibility to ensure receipt of all addenda and any accompanying documentation. The proposer is required to submit with its proposal a signed “Acknowledgment of Addenda” form, when any addenda have been issued. Failure to acknowledge each addendum may prevent the proposal from being considered for award.

D. Contents of Solicitation and Proposers’ Responsibilities

It is the responsibility of the proposer to become thoroughly familiar with the requirements, terms, and conditions of this solicitation. Pleas of ignorance of these matters by the proposer of conditions that exist or may exist will not be accepted as a basis for varying the requirements of the County, or the compensation to be paid to the proposer.

E. Restricted Discussions

From the date of issuance of this solicitation until final County action, vendors should not discuss the solicitation or any part thereof with any employee, agent, or any other representative of the County except as expressly authorized by the designated procurement representative. The only communications that shall be considered pertinent to this solicitation are appropriately signed written documents from the vendor to the designated procurement representative and any relevant written document promulgated by the designated procurement representative.

F. Change or Withdrawal of Proposals

Changes to Proposal - Prior to the scheduled proposal closing, a proposer may change its proposal by submitting a new proposal specified in the solicitation with a letter on the firm’s letterhead, signed by an authorized agent stating that the new submittal replaces the original submittal. The new submittal shall contain the letter and all information as required for submitting the original proposal.

Withdrawal of Proposal – A proposal shall be irrevocable unless the proposal is withdrawn as provided herein. A proposal may be withdrawn, either physically or by written notice, at any time prior to the proposal closing date. If withdrawn by written notice, that notice must be addressed to, and received by, the designated procurement representative prior to the designated receipt date and time. A proposal may also be withdrawn after expiration of the designated acceptance period, and prior to award, by submitting a letter to the designated procurement representative for the solicitation. The withdrawal letter must be on company letterhead and signed by an authorized agent of the proposer.

G. Conflicts within the Solicitation

Where there appears to be a conflict between the General Terms and Conditions, Special Conditions, the Technical Specifications, the Pricing Section, or any addendum issued, the order of precedence shall be: the last addendum issued, the Proposal Price Section, the Technical Specifications, the Special Conditions, and then the General Terms and Conditions. It is incumbent upon the vendor to identify such conflicts to the designated procurement representative prior to the proposal closing date.

SECTION 3 – GENERAL TERMS AND CONDITIONS

Proposers are requested to provide prompt payment terms in the space provided on the signature page of the solicitation.

The County reserves the right to reject any and all proposals, to waive irregularities or technicalities and to re-advertise for all or any part of this solicitation as deemed in its best interest. The County shall be the sole judge of its best interest.
- B. When there are multiple line items in a solicitation, the County reserves the right to award on an individual item basis, any combination of items, total low bid or in whichever manner deemed in the best interest of the County. This provision specifically supersedes any method of award criteria stated in the solicitation when such action is clearly necessary to protect the best interests of the County.

- E. The proposer's performance as a prime contractor or subcontractor on previous County contracts shall be taken into account in evaluating the responsibility of a proposer that submitted a proposal under this solicitation.

- F. The Director of Procurement Services will decide all tie proposals with initial preference being given to the entity employing the most personnel residing within the County.

In such event, the County will notify the vendor(s) in writing of such extensions. Exercise of the above options requires the prior approval of the Director of Procurement Services.

Estimated quantities or dollar values are for proposer's guidance only. No guarantee is expressed or implied as to quantities or dollars that will be used during the contract period. The County is not obligated to place any order for a given amount subsequent to the award of this solicitation. The County may use these estimates to determine the proposer selected for award. Estimated quantities do not contemplate or include possible additional quantities that may be ordered by other government, quasi-governmental or non-profit entities utilizing this contract. In no event shall the County be liable for payments in excess of the amount due for quantities of goods or services actually ordered.

3.18 COLLUSION

Where two (2) or more related parties, as defined herein, each submit a proposal for the same contract, such proposals shall be presumed to be collusive. The foregoing presumption may be rebutted by the presentation of evidence as to the extent of ownership, control and management of such related parties in preparation and submittal of such proposals. No interruption, interference, inefficiency, suspension, or delay in the commencement or progress of the Work shall relieve the vendor of duty to perform, or give rise to any right to damages or additional compensation from the County. The vendor's sole remedy shall be the right to seek an extension to the contract time.
